CHAPTER 9

GENERAL PROVISIONS—THIS TITLE

SEC. 1901. (a) Congress finds that it is Defense Department policy that units should not be deployed for combat unless they are rated “fully mission capable”.

(b) None of the funds appropriated or otherwise made available in this or any other Act may be used to deploy any unit of the Armed Forces to Iraq unless the chief of the military department concerned has certified in writing to the Committees on Appropriations and the Committees on Armed Services at least 15 days in advance of the deployment that the unit is fully mission capable.

(c) For purposes of subsection (b), the term “fully mission capable” means capable of performing assigned mission essential tasks to prescribed standards under the conditions expected in the theater of operations, consistent with the guidelines set forth in the Department of Defense readiness reporting system.

(d) The President, by certifying in writing to the Committees on Appropriations and the Committees on Armed Services that the deployment to Iraq of a unit that is not assessed fully mission capable is required for rea-

2 certification a report in classified and unclassified form  
3 detailing the particular reason or reasons why the unit's  
4 deployment is necessary despite the chief of the military
